Thank you for your application to join the Club. On receipt of the form you will be invited to a welcome meeting. Your Membership will commence on payment of the agreed fees or setting up Standing Order payments.

\*Community Amateur Sports Club (CASC) status means that the club offers concessionary membership for those on low or modest income for £520 per annum to those who can't afford to pay more.

Included in this price is insurance and affiliation fees. This concessionary membership allows the member to play on 3 week days and on one day at the weekend. Those who want to take advantage of the reduced price membership must apply to the Secretary of the club and demonstrate that the full cost of membership would not be affordable to them.
